**EXECUTIVE PROTOCOL
OF THE MEMORANDUM OF UNDERSTANDING
BETWEEN
UNIVERSITY OF TRIESTE (ITALY)
AND
UNIVERSITY OF CAMBRIDGE YUSUF HAMIED CHEMISTRY DEPARTMENT**

The University of Trieste and the University of Cambridge Yusuf Hamied Chemistry Department, in order to put into practice the Memorandum of Understanding signed on 19th February 2025 to foster development of cultural, scientific and educational cooperation as mutual advantage to both Universities and with the aim to reinforce such cooperation, agree on the following points to set forth the specific details of cooperative activities in which scholars, administrative staff and students are authorized by this Protocol.

For the University of Cambridge the following professor is responsible for the activity of this Protocol: Dr. Nick Bampos of the Department of Chemistry Yusuf Hamied (contact address: email address: nb10013@cam.ac.uk; phone number +44-01223-762970).

For the University of Trieste, the following professor is responsible for the activity of this Protocol: Prof. Silvia Marchesan of the Department of Chemical and Pharmaceutical Sciences (contact address: email address: smarchesan@units.it; phone number +39-040-5583923).

Prof. Paola Posocco of the Department of Engineering and Architecture (contact address: email address: paola.posocco@dia.units.it; phone number +39-040-5583448).

1. Scope

The collaboration and cooperation under the framework of this Protocol shall initially include, but not be limited to, the following fields:

- a. Supramolecular chemistry
- b. Catalysis
- c. New materials design and characterization

Such collaboration and cooperation shall be carried out on the basis of equal and mutual advantage, and both Institutions reserve the opportunity to identify and define, through future written and signed amendments of this Protocol, additional fields of education and/or scientific activity.

2. Foreseen Activities

Both Institutions indicate their willingness to cooperate in the promotion of both educational and research activities.

Under this Protocol the following activities are included:

- Joint research projects and common scientific initiatives, such as seminars, lectures, workshops, etc.;
- Exchange of Professors and researchers;

* The Chancellor/Rector/President/Vice-Chancellor/Provost

- Exchange of publications, reports and other academic information for the purposes of collaboration;
- Exchange of undergraduate, Master, and PhD students solely for research purposes;
- Use of research equipment and free access to the facilities of either institution during the visits;
- Joint institutional activities, e.g. submission of joint research projects
- Exchange of technical staff if suitable.

Each activity will be regulated by a specific document where both scientific and administrative aspects will be detailed. The document will be signed by the Professor/s responsible of this Protocol and the Head of the Departments involved of both Universities.

3. Exchange of Professors, PhD students and administrative staff

The purpose of any exchange of professors must be for teaching or research purposes.

The exchange of professors under this Protocol shall be based on reciprocity and respect of a balance between incoming and outgoing participants.

Administrative staff shall participate in exchanges subject to specific terms and conditions and duly authorized by the respective administrative authority.

The number of professors and administrative staff members to be exchanged will be commensurated with available funds.

Both Institutions agree that, unless specifically stated otherwise, all travel and living expenses of professors, PhD students and administrative staff members, incurred while attending the host Institution or residing in the host Country, including meals, transportation, and lodging, shall be the responsibility of the sending Institution, subject to each Institution's availability of funds and regulations in force.

For the University of Trieste financial support to costs related to the activities carried out under the framework of this Protocol will be regulated by specific internal calls in which terms and conditions will be determined on the basis of the available budget.

However, activities are not only related to internal calls; they can be undertaken under the initiative of the professors responsible of the Executive Protocol according to their personal research funds.

Exchange professors, PhD students or administrative staff members shall be subject to the hosting Institution's rules, regulations and policies. Each hosting Institution reserves the right to terminate a Visiting professor/PhD/students/staff member's participation for violation of the hosting Institution's rules, regulations, and policies, or violation of laws or regulations in the host Country.

On the basis of each internal organization, the host Institution shall exercise reasonable efforts to assist participating professors, PhD students and staff members in identifying accommodation that are locally available and provide information and assistance to obtain visa or other documents necessary to enter, stay and work in the host Country.

Individual exchanges shall not exceed 2 months.

Each person involved in all the activities foreseen by this Executive Protocol has to provide him/herself with a suitable health and third-party liability insurance, and all insurances envisaged by the host Country and host Institution's regulations.

4. Student Exchange Programs

The terms and conditions of each student exchange will be mutually discussed and agreed upon in writing by both Parties, and will be the object of a separate legally binding written agreement or

ERASMUS+ Interinstitutional Exchange Agreement, prior to the commencement of the exchange of students.

The agreement will indicate the type of activity (internship), the professor in charge as supervisor for academic matters; the area code/s - ISCED within which student exchange will take place, application procedures; academic requirements, available infrastructure for people with disabilities, insurance, (only for the University of Trieste: the identification details of INAIL - Industrial health and safety insurance); civil liability insurance policies, if applicable, health insurance coverage and all other necessary information established in written).

Student exchange agreements will be implemented on a "fee waiver" basis: students of both Universities will be exempted from fees while attending the host University for research purposes only. Student exchanges will NOT include any teaching activity or attendance to courses or exams. Student exchange agreements will bear also details on coverage of costs for travel, living, miscellaneous expenses incurred in attending the host Institution, including meals, transportation, and lodging.

Financial resources for the implementation of student exchanges may be agreed in written by both parties depending upon each availability of funds.

5. Duration

This Executive Protocol shall remain in force for 6 years, if it is signed concurrently to the pertaining Memorandum of Understanding or alternatively for the remaining number of years to the MoU's expiry date, when signed after.

The Executive Protocol is subject to approval of both Institutions and may be extended by mutual consent, in writing, by each duly authorized legal representative, if the pertaining MoU is extended and for the same number of years.

In any case, this Protocol may be terminated in writing by one of the parties with at least a notice period of three months before the requested date of expiration. Any ongoing or already scheduled activity at that time will not be affected.

6. Final provisions

For any point not specifically covered in this Executive Protocol it shall be referred to the Memorandum of Understanding.
