**EXECUTIVE PROTOCOL OF THE
MEMORANDUM OF UNDERSTANDING
BETWEEN THE DENTAL SCHOOL,
UNIVERSITY OF TRIESTE (ITALY)
AND FACULTY OF DENTISTRY, UNIVERSITY
OF CHILE (CHILE)**

The University of Trieste and the University of Chile, in order to put into practice the Memorandum of Understanding, to foster development of cultural, scientific and educational cooperation as mutual advantage to both Universities and with the aim to reinforce such cooperation, agree on the following points to set forth the specific details of cooperative activities in which Bachelor, Master and PhD students and professors are authorized by this Protocol.

For the University of Trieste the following professor is responsible for the activity of this Protocol: Prof. Giulio Marchesi of the Department of Medical, Surgical and Health Sciences (contact address: email addresses: gmarchesi@units.it; phone numbers +39 0403992563).

For the University of Chile, the following professor is responsible for the activity of this Protocol: Prof. Juan Pablo Aitken Saavedra of the Departamento de Patología y Medicina Oral, Facultad de Odontología (contact address: email address: jaitkens@uchile.cl; phone number +56 229784872).

1. Scope

The collaboration and cooperation under the framework of this Protocol shall initially include, but not be limited to, the following fields: Dentistry and Dental Sciences, including all aspects of dental education, clinical training, oral health research, and professional development.

Such collaboration and cooperation shall be carried out on the basis of equal and mutual advantage, and both Institutions reserve the opportunity to identify and define, through future written and signed amendments of this Protocol, additional fields of education and/or scientific activity.

2. Foreseen Activities

Both Institutions indicate their willingness to cooperate in the promotion of both educational and research activities.

Under this Protocol the following activities are included:

- Joint research projects and common scientific initiatives, such as frontal lessons, seminars, lectures, workshops, etc.;
- Exchange of publications, reports and other academic information;
- Exchange of Professors of the degree courses;
- Exchange of Bachelor, Master and PhD students;
- Use of research equipment and free access to the facilities of either institution;
- Joint institutional activities, e.g. submission of joint research projects, organization of joint workshops, joint Summer and/or Winter Schools.

Each activity will be regulated by a specific document where both scientific and administrative aspects will be detailed. The document will be signed by the Professor/s responsible of this Protocol and the Head of the Departments involved of both Universities.

3. Exchange of Professors and PhD students

The purpose of any exchange of professors must be for teaching or research purposes.

The exchange of professors under this Protocol shall be based on reciprocity and respect of a balance between incoming and outgoing participants.

The number of professors to be exchanged will be commensurated with available funds.

Both Institutions agree that, unless specifically stated otherwise, all travel and living expenses of professors and students, incurred while attending the host Institution or residing in the host Country, including meals, transportation, and lodging, shall be the responsibility of the sending Institution, subject to each Institution's availability of funds and regulations in force.

For the University of Trieste financial support to costs related to the activities carried out under the framework of this Protocol will be regulated by specific internal calls in which terms and conditions will be determined on the basis of the available budget.

However, activities are not only related to internal calls; they can be undertaken under the initiative of the professors responsible of the Executive Protocol according to their personal research funds.

Exchange professors and students shall be subject to the hosting Institution's rules, regulations and policies. Each hosting Institution reserves the right to terminate a Visiting Professor/students' participation for violation of the hosting Institution's rules, regulations, and policies, or violation of laws or regulations in the host Country.

On the basis of each internal organization, the host Institution shall exercise reasonable efforts to assist, as far as possible, participating professors and students in identifying accommodation that are locally available and provide information and assistance to obtain visa or other documents necessary to enter, stay and work in the host Country.

Individual exchanges shall not exceed 2 months.

Each person involved in all the activities foreseen by this Executive Protocol has to provide him/herself with a suitable health and third-party liability insurance, and all insurances envisaged by the host Country and host Institution's regulations.

4. Student Exchange Programs

The terms and conditions of each student exchange will be mutually discussed and agreed upon in writing by both Parties, and will be the object of a separate legally binding written agreement or ERASMUS+ Interinstitutional Exchange Agreement, prior to the commencement of the exchange of students.

The agreement will indicate the type of activity (study or internship), the professor in charge as supervisor for academic matters; the area code/s - ISCED within which student exchange will take place, details concerning calendar terms for student nominations; autumn and spring terms to receive incoming nominations; application procedures; academic requirements, the recognition process of exams, available infrastructure for people with disabilities, insurance, (only for the University of Trieste: the identification details of INAIL - Industrial health and safety insurance); civil liability insurance policies, if applicable, health insurance coverage and all other necessary information established in written.)

Student exchange agreements will be implemented on a "fee waiver" basis: students of both Universities will be exempted from fees while attending the host University.

Student exchange agreements will bear also details on coverage of costs for travel, living, miscellaneous expenses incurred in attending the host Institution, including meals, transportation, and lodging.

Financial resources for the implementation of student exchanges may be agreed in written by both parties depending upon each availability of funds.

5. Duration

This Executive Protocol shall remain in force for 3 years years, the remaining number of years to the MoU's expiry date.

The Executive Protocol is subject to approval of both Institutions and may be extended by mutual consent, in writing, by each duly authorized legal representative, if the pertaining MoU is extended and for the same number of years.

In any case, this Protocol may be terminated in writing by one of the parties with at least a notice period of three months before the requested date of expiration. Any ongoing or already scheduled activity at that time will not be affected.
