**EXECUTIVE PROTOCOL
OF THE MEMORANDUM OF UNDERSTANDING
BETWEEN
UNIVERSITY OF TRIESTE (ITALY)
AND
SHINSHU UNIVERSITY (JAPAN)**

The University of Trieste and Shinshu University, in order to put into practice the Memorandum of Understanding signed, to foster development of cultural, scientific and educational cooperation as mutual advantage to both Universities and with the aim to reinforce such cooperation, agree on the following points to set forth the specific details of cooperative activities in which scholars, administrative staff and students are authorized by this Protocol.

For Shinshu University the following professors are responsible for the activity of this Protocol:

Prof. Ryuhei Okuyama, Dean of the School of Medicine (rokuyama@shinshu-u.ac.jp)

Prof. Masahide Yazaki, Director of the Institute for Biomedical Sciences (mayazaki@shinshu-u.ac.jp).

For the University of Trieste, the following professors are responsible for the activity of this Protocol:

Prof. Gabriele Stocco of the Department of Medical, Surgical and Health Sciences (email: stoccog@units.it; 0403785362)

Prof. Marianna Lucafò of the Department of Life Sciences (mulcafo@units.it; 0405588771).

1. Scope

The collaboration and cooperation under the framework of this Protocol shall initially include, but not be limited to, the following fields:

- a. Pharmacology and Pharmacogenomics
- b. Translational Medicine
- c. Paediatric Research
- d. Clinical sciences, such as gastroenterology, regenerative medicine, sports medicine, cardiology, medical genetics, etc.
- e. Innovative therapies, such as CART therapy, etc.
- f. Artificial intelligence in medicine
- g. Biomedical Sciences, such as ageing research, metabolism, nutrition, omics research, bioengineering, etc.
- h. Surgery

Such collaboration and cooperation shall be carried out on the basis of equal and mutual advantage, and both institutions reserve the opportunity to identify and define, through future written and signed amendments of this Protocol, additional fields of education and/or scientific activity.

2. Foreseen Activities

Both institutions indicate their willingness to cooperate in the promotion of both educational and research activities.

Under this Protocol the following activities are included:

- Joint research projects on pharmacogenomics, personalized medicine, translational research and innovative therapies in clinical fields including Paediatrics, Gastroenterology, Sports Medicine

- Development and sharing of in vitro models (iPSCs and organoids) for pharmacological research and regenerative medicine
- Collaborative studies on drug metabolism, pharmacokinetics, and adverse drug reactions
- Exchange of biological samples and data for joint research projects (subject to the establishment of a Materials Transfer Agreement between the departments involved of both Universities)
- Joint research projects and common scientific initiatives, such as seminars, lectures, workshops
- Exchange of professors and researchers
- Exchange of publications, reports and other academic information
- Exchange of undergraduate and PhD students
- Use of research equipment and free access to the facilities of either institution
- Joint academic programmes (e.g. double degree programmes)
- Joint institutional activities, e.g. submission of joint research projects, organization of joint workshops, joint Summer and/or Winter Schools
- Other activities mutually agreed (for the University of Trieste details will be specified in the Call for activities).

Each activity will be regulated by a specific document where both scientific and administrative aspects will be detailed. The document will be signed by the professor/s responsible for this Protocol and the Heads of the Departments involved of both Universities.

3. Exchange of professors, PhD students and administrative staff

The purpose of any exchange of professors must be for teaching or research purposes.

The exchange of professors under this Protocol shall be based on reciprocity and respect of a balance between incoming and outgoing participants.

Administrative staff shall participate in exchanges subject to specific terms and conditions and duly authorized by the respective administrative authority.

The number of professors and administrative staff members to be exchanged will be commensurate with available funds.

Both institutions agree that, unless specifically stated otherwise, all travel and living expenses of professors, PhD students and administrative staff members, incurred while attending the host institution or residing in the host country, including meals, transportation, and lodging, shall be the responsibility of the sending institution, subject to each institution's availability of funds and regulations in force.

For the University of Trieste financial support to costs related to the activities carried out under the framework of this Protocol will be regulated by specific internal calls in which terms and conditions will be determined on the basis of the available budget.

However, activities are not only related to internal calls; they can be undertaken under the initiative of the professors responsible for the Executive Protocol according to their personal research funds.

Exchange professors, PhD students or administrative staff members shall be subject to the hosting institution's rules, regulations and policies. Each hosting institution reserves the right to terminate a visiting professor/PhD/students/staff member's participation for violation of the hosting institution's rules, regulations, and policies, or violation of laws or regulations in the host country.

On the basis of each internal organization, the host institution shall exercise reasonable efforts to assist, as far as possible, participating professors, PhD students and staff members in identifying accommodation that is locally available and provide information and assistance to obtain visa or other documents necessary to enter, stay and work in the host country.

Individual exchanges shall not exceed 2 months.

Each person involved in all the activities foreseen by this Executive Protocol must enroll in a suitable health and third-party liability insurance, and all insurances envisaged by the host country and host institution's regulations.

4. Student Exchange Programs

The terms and conditions of each student exchange will be mutually discussed and agreed upon in writing by both Parties and will be the object of a separate legally binding written agreement or ERASMUS+ Interinstitutional Exchange Agreement, prior to the commencement of the exchange of students.

The agreement will indicate the type of activity (study or internship), the professor in charge as supervisor for academic matters; the area code/s - ISCED within which student exchange will take place, details concerning calendar terms for student nominations; autumn and spring terms to receive incoming nominations; application procedures; academic requirements, the recognition process of exams, available infrastructure for people with disabilities, insurance, (only for the University of Trieste: the identification details of INAIL - Industrial health and safety insurance); civil liability insurance policies, if applicable, health insurance coverage and all other necessary information established in written.

Student exchange agreements will be implemented on a "fee waiver" basis: students of both universities will be exempted from fees while attending the host university.

Student exchange agreements will bear also details on coverage of costs for travel, living, miscellaneous expenses incurred in attending the host institution, including meals, transportation, and lodging.

Financial resources for the implementation of student exchanges may be agreed in writing by both parties depending upon each availability of funds.

5. Duration

This Executive Protocol shall remain in force for 6 years, if it is signed concurrently to the pertaining Memorandum of Understanding or alternatively for the remaining number of years to the MoU's expiry date, when signed after.

The Executive Protocol is subject to approval of both institutions and may be extended by mutual consent, in writing, by each duly authorized legal representative, if the pertaining MoU is extended and for the same number of years.

In any case, this Protocol may be terminated in writing by one of the parties with at least a notice period of three months before the requested date of expiration. Any ongoing or already scheduled activity at that time will not be affected.

6. Final provisions

For any point not specifically covered in this Executive Protocol it shall be referred to the Memorandum of Understanding.
