

Busta n. 3

Selezione pubblica, per esami, per il reclutamento a tempo determinato di n. 1 unità di personale dell'area dei funzionari, settore amministrativo-gestionale, con profilo di "Esperto di gestione amministrativa dei progetti - Project administration specialist", in regime di full time, per la durata di 12 mesi, nonché per l'approvazione di una graduatoria utile al reclutamento di personale a tempo determinato per esigenze temporanee o eccezionali dell'Università degli Studi di Trieste (DDG 438/2026 del 2 luglio 2026).

1) Dopo una breve premessa sulla procedura di affidamento diretto ai sensi dell'art. 50 del D.lgs. n. 36 del 2023, il candidato o la candidata esponga il principio di risultato.

2) Il candidato o la candidata definisca il Consiglio di Dipartimento.

3) Il candidato o la candidata risponda alle seguenti domande a risposta multipla in tema di progetti di ricerca.

3.1) What is generally meant by the prohibition of double funding?

- A. The prohibition on charging the same cost to multiple funding sources and obtaining duplicate reimbursement for it.
- B. The prohibition on participating simultaneously in two projects.
- C. The prohibition on receiving advance payments from two funding bodies.
- D. The prohibition on listing the same piece of equipment in two inventories.

3.2) What is a timesheet in the context of a research project, and what is its role in project financial reporting?

- A. A timesheet is a document used to record the time worked by project personnel on specific project activities and may serve as supporting evidence for reporting personnel costs, where required by the funding programme.
- B. A timesheet is a document used exclusively to monitor the project's financial budget.

- C. A timesheet is an inventory record used to track research equipment purchased under the project.
- D. A timesheet is a report prepared only at the end of the project to summarize scientific results.

3.3) What is the main purpose of a partnership agreement in a funded project?

- A. To replace the grant agreement signed with the funding authority.
- B. To regulate the internal relationships among project partners, including roles, activities, budget allocation, responsibilities, information flows, and the management of project results.
- C. To remove the coordinator's responsibility towards the funding authority.
- D. To allow partners to freely modify the rules established by the funding call.

3.4) A funding programme covers 80% of the project's eligible costs. What should the applicant verify in advance?

- A. Only the availability of the advance payment from the funding authority.
- B. The availability and eligibility of funding to cover the co-financing share and any costs that may not be reimbursed by the programme.
- C. Only the project duration and the eligibility of personnel costs.
- D. That the project does not include any personnel costs.

3.5) In a research project funded on the basis of actual costs, an expense relates to work was carried out before the project's eligibility period started. What is the most appropriate assessment?

- A. The cost is always eligible if it is paid during the project.
- B. The cost is eligible if it was included in the project budget.
- C. The cost may not be eligible because both the timing of the activity and the eligibility period must be considered.
- D. The cost can automatically be charged as an indirect cost.

3.6) In European projects, which of the following cost items is generally not eligible for reimbursement under financial reporting rules?

- A. IRAP (Regional Tax on Productive Activities)
- B. Personnel costs

- C. Staff travel costs
- D. Outsourcing costs
