DECREES

Art. 1 – Announcement and profile requested

A public selection is announced at the University of Trieste, based on qualifications and interview, to engage no. 2 temporary level I technologists for a period of 24 months, full-time, contest sector 01/A6 – Operational Research - SSD MAT/09 - Operational Research, for temporary requirements linked to support of the implementation of the activities of scientific research and administration under the H2020 Research Projects AEOLIX, optiTruck and NeMo, at the Department of Engineering and Architecture of the University of Trieste.

The University of Trieste guarantees equality and equal opportunities for men and women in access to employment and treatment at work, in accordance with art. 7 para. 1 of Decree Law No. 165/2001.

Pursuant to art. 2 of the "Regulations for recruitment and guidelines of temporary Technologists under art. 24-bis of the Law of 30 December 2010, no. 240 of the University of Trieste", the level I technologist will perform tasks of planning and managing activities of the projects involved in the call. Furthermore, he/she will coordinate technical skills, also in the project fields, where professional skills are required. He/she will be responsible for the quality and the cost of the achievements obtained.

For the purposes of this selection, the following knowledge and skills are required from the candidate:

- a) development of algorithms and techniques of optimization, modeling and simulation for complex systems
- b) implementation of algorithms and techniques of optimization, modeling and simulation by computer technologies (hardware and software), using programming languages like C, C++, python, MATLAB and web service on PC and dedicated systems
- c) project management: monitoring and strategic planning of ongoing projects, coordination of partner activities, management of relations between partners and the European Union;
- d) writing of scientific relations for projects, monitoring of project deadlines, organization of time sheets.

Art. 2 - Requirements for admission

For admission to the selection, possession of all of the following requirements is requested:

- a) educational qualification:
 - bachelor's degree (old order) or master's degree (LS, Laurea specialistica) achieved pursuant to Ministerial Decree 509/99, or master's degree (LM, Laurea magistrale) achieved pursuant to Ministerial Decree 270/04 in Engineering, Mathematics, Economics and Commerce ;

- equivalent degrees under Interministerial Decree of the Minister of Education, Universities and Research in concert with the Minister for Public Administration and Innovation of 9 July 2009 (Official Gazette of 7 October 2009 no. 233) and Interministerial Decree of the Minister of Education, Universities and Research of 11 November 2011 (Official Gazette of 22 February 2012 no. 44)
- Ph.D. in Engineering, Mathematics, Economics, Operational Research or similar;

Applicants who have obtained the qualification (bachelor's degree and/or Ph.D) abroad must declare in the application:

- details about the equivalence to the bachelor's degree or to the Ph.D. issued by an Italian University;
- alternatively, pursuant to art. 38 of Decree Law 165/2001, details of the application to the Department of Public Administration [*Dipartimento della Funzione Pubblica*] for the equivalence of the qualification (Bachelor's degree and/or Ph.D), for the sole purpose of admission to the selection;

b) age not less than 18 years;

c) Italian citizenship (Italians not belonging to the Republic of Italy are equivalent to Italian citizens). This requirement is not required for the citizens of a Member State of the European Union and their family members who are not nationals of a Member State that have a right of residence or a right of permanent residence and for third country nationals who are holders of the EC right of residence for long-term residents or who hold refugee status or subsidiary protection status;

d) enjoyment of political rights;

e) medical fitness to carry out the activity envisaged;

f) compliance, for those born up to 1985, with the laws on military recruitment.

Those excluded from the right to vote and those dismissed from employment with a public administration for persistent inadequate performance cannot take part in the selection, nor those who have forfeited other state employment in accordance with art. 127, first paragraph, point d) of the Consolidated Law on the provisions concerning the charter for civil servants of the state, approved by Presidential Decree 3/1957.

EU Member State nationals and their family members, holders of the right of residence or the right of permanent residence and third-country nationals who are holders of the long-term resident's EC residence permit or who hold refugee status or subsidiary protection status must comply with the following requirements, to be declared in the admission application:

- a) educational qualification equivalent to that required for Italian citizens (according to what is indicated in point a) above);
- b) exercise of civil and political rights in their countries of citizenship or origin;
- c) possession, except holding Italian citizenship, of all other requirements for the citizens of the Italian Republic;
- d) adequate knowledge of the Italian language.

The above requirements must be met at the deadline for the submission of applications for admission to the selection.

Candidates are admitted conditionally. Candidates may be excluded from the selection for failure to meet the required conditions at any time.
