R: Returns / Univ of Trieste ITALY - [8031-QEYI-1187] [01ba828b]

A Ace Glass Support

Dear Yvette,

we will have to place a new order to purchase the article:

A13290-24 PTFE ADAP #15 24-410 VIAL (Quantity two)

Could you send us a quote for this article including the expedition and customs?

Regarding the return of the articles we have recently purchased, we are still deciding what to do. If we send them back, do you transfer us the full cost of them? Can you send me the return authorization and then we will decide if we do it or not?

Thanks and kind regards,
Maria
