

## Call for Applications

### Erasmus+ Study 2026-2027

#### Second Round (for mobility in the second semester)

The second round for applications to Erasmus+ Study in 2026-2027 is now open, as established in the original call for applications.

The second round is exclusively for mobility periods taking place in the second semester of the academic year 2026-2027.

**Deadline for applications: 18 June 2026 at 12:00.**

The call, all forms, application instructions and the list of possible destinations are available on the webpage dedicated to the Erasmus+ Study call for applications.

The selection will be carried out according to the criteria already approved and set out in the call.

Please note that information on the year of programme, disciplinary area, ISCED code and any other specific requirements reported for each destination is provided on the basis of guidance provided by coordinators and partner institutions. Eligibility of candidates is subject to assessment by the exchange coordinator and the host institution.

We recommend you to contact your exchange coordinator if your situation differs from the cases described in the documents or if you have any doubts regarding the eligibility of your application.

Finally, it is the sole responsibility of the candidates to independently check the required language proficiency levels directly on the host institution's website.

The ranking lists will be published on the official University Notice Board and on the call webpage **by 9 July 2026**. The online publication of the lists constitutes official notification.

Successful candidates must accept their mobility placement by logging into the online academic services portal (Esse3). Mobility placements can only be **accepted from the publication of the rankings until 13 July 2026 (at 12:00)**.

If the student fails to accept or refuses their mobility placement, they forfeit their right to the entire mobility period and will **not be eligible for re-allocation** within the period covered by the Erasmus+ Study call 2026-2027.

Candidates not included in the official ranking lists should check for and confirm any reallocation by logging into the online academic services (Esse3) **after the deadline for acceptance by selected candidates and no later than 14 July 2026 (at 12:00)**.

Any withdrawal from the mobility after 14 July 2026 must be promptly communicated and duly justified to [outgoing.students@amm.units.it](mailto:outgoing.students@amm.units.it).
