

CALL FOR DOUBLE AND JOINT DEGREE APPLICATIONS 2026-2027 THE UNIVERSITY OF TRIESTE

CALL FOR APPLICATIONS REOPENED

The Double and Joint Degree call for applications for the Department of Chemical and Pharmaceutical Sciences has been reopened exclusively to allow applications for the following additional destination of the Department of Chemical and Pharmaceutical Sciences, as part of the Master's Degree in Chemistry – curriculum in theoretical chemistry and computational modelling (TCCM):

- F TOULOUS03 - Université de Toulouse 3 Paul Sabatier, France

**Submission deadline:
16 July 2026 at 12:00 (CET)**

Documents

The original call for applications, the updated version of Annex A with the new destination, forms and guidelines for completing the application are published on the [call webpage](#).

Publication of the ranking lists

The rankings will be published on the official University Notice Board and on the call webpage by **28 July 2026**.

The publication of this list has legal value. Successful candidates are deemed to have automatically accepted their place.

All withdrawals must be communicated **without delay** and duly justified at outgoing.students@amm.units.it.

Admission Requirements

Admission requirements are set out in the call for applications and under the individual destinations in Annex A. Interested students are invited to carefully check any restrictions on their chosen destinations, as each destination is reserved exclusively for students enrolled in the degree programmes and department specified in the relevant sheet. As a result, students from degree programmes other than those listed in the relevant sheets cannot apply for these destinations.
