

# Things to do before your mobility period Erasmus+ Study and Double and Joint Degrees 2026- 2027

## Contents

Financial Agreement .....	2
Learning Agreement .....	2
Study programme and University fees .....	2
Important information .....	2
OLS (Online Language Support) .....	3
Contact the International Mobility Office .....	3

## Financial Agreement

- Fill in and sign the **Financial Agreement** following the instructions and within the deadlines that the International Mobility Office will send you by email.  
Please note: If the Financial Agreement has not been signed by both parties, you **cannot start** your mobility period.

## Learning Agreement

You should upload your Learning Agreement to the online Student Academic Services (Esse3) no later than **30 days** before departure following the instructions available [here](#).

**PLEASE NOTE:** UniTS will only recognise exams that:

- have been included in your Learning Agreement and approved in accordance with the instructions provided;
- have been included in your study programme (unless otherwise specified).

**Note:** type-D courses (elective subjects) and extra-credit courses that have been approved in your *Learning Agreement* can be recognised even if they are not included in your study programme (see Guidelines for filling in your Learning Agreement).

## Study programme and University fees

- **Enrol for academic year 2026-2027** by paying your first instalment before departure. You must be up to date with all tuition fees for the entirety of your mobility period.
- **Submit your study programme** following the instructions and within the deadlines established for your degree programme.  
Please note: Your Learning Agreement is not a substitute for your study programme, with the exception of type-D courses (elective subjects) and extra-credit courses. For more on this, see the instructions for filling in your Learning Agreement.
- If you want to make changes to the study programme created for 2026-2027 or take some exams earlier than planned, i.e., this academic year rather than in subsequent years of your course, contact the Student Academic Services:  
<https://portale.units.it/en/study/contacts/students-career>.

## Important information

- Make sure you check whether you have to do anything before leaving with your host institution. It is important that you follow both the procedures at UniTS and at your host institution.
- You cannot take any exams at UniTS during your mobility period. You will be able to take exams at UniTS after the end of your mobility period.

## OLS (Online Language Support)

OLS is the language learning platform designed by the European Commission for Erasmus+ mobility participants. It is not a requirement, but it is a tool that you can use to your advantage.

Thanks to OLS you can test your language level and follow a personalised course to improve your language skills.

Sign up to the EU Academy platform via the following [link](#).

Register with your institutional email, log in and type 'Placement test' in the search bar at the top of the page.

To read the FAQs, scroll to the bottom of the EU Academy page and click on 'Help centre'. Then, select 'OLS assistance'.
