

NOTICE OF CORRECTION OF A MATERIAL ERROR

With reference to the *Erasmus+ Traineeship 2025/2026 call for applications* published on 28th January 2026, we inform you that a paragraph was involuntarily omitted from Article 2, indicating that it is also possible to carry out mobility periods in third countries not associated to the programme belonging to region 14.

It should be noted that, as correctly stated in Article 4, eligible countries of destination include third countries not associated to the programme belonging to region 14 (United Kingdom and Switzerland).

Therefore, the list of eligible destinations referred to in Article 2 of the call should be completed with the following paragraph:

‘Third countries not associated to the programme belonging to region 14 (United Kingdom, Switzerland)’

The remaining contents of the call is unchanged.

This notice has been published to ensure transparency and serves as a correction of a material error.
