

## Allegato 4 Grafici di dispersione - Ateneo

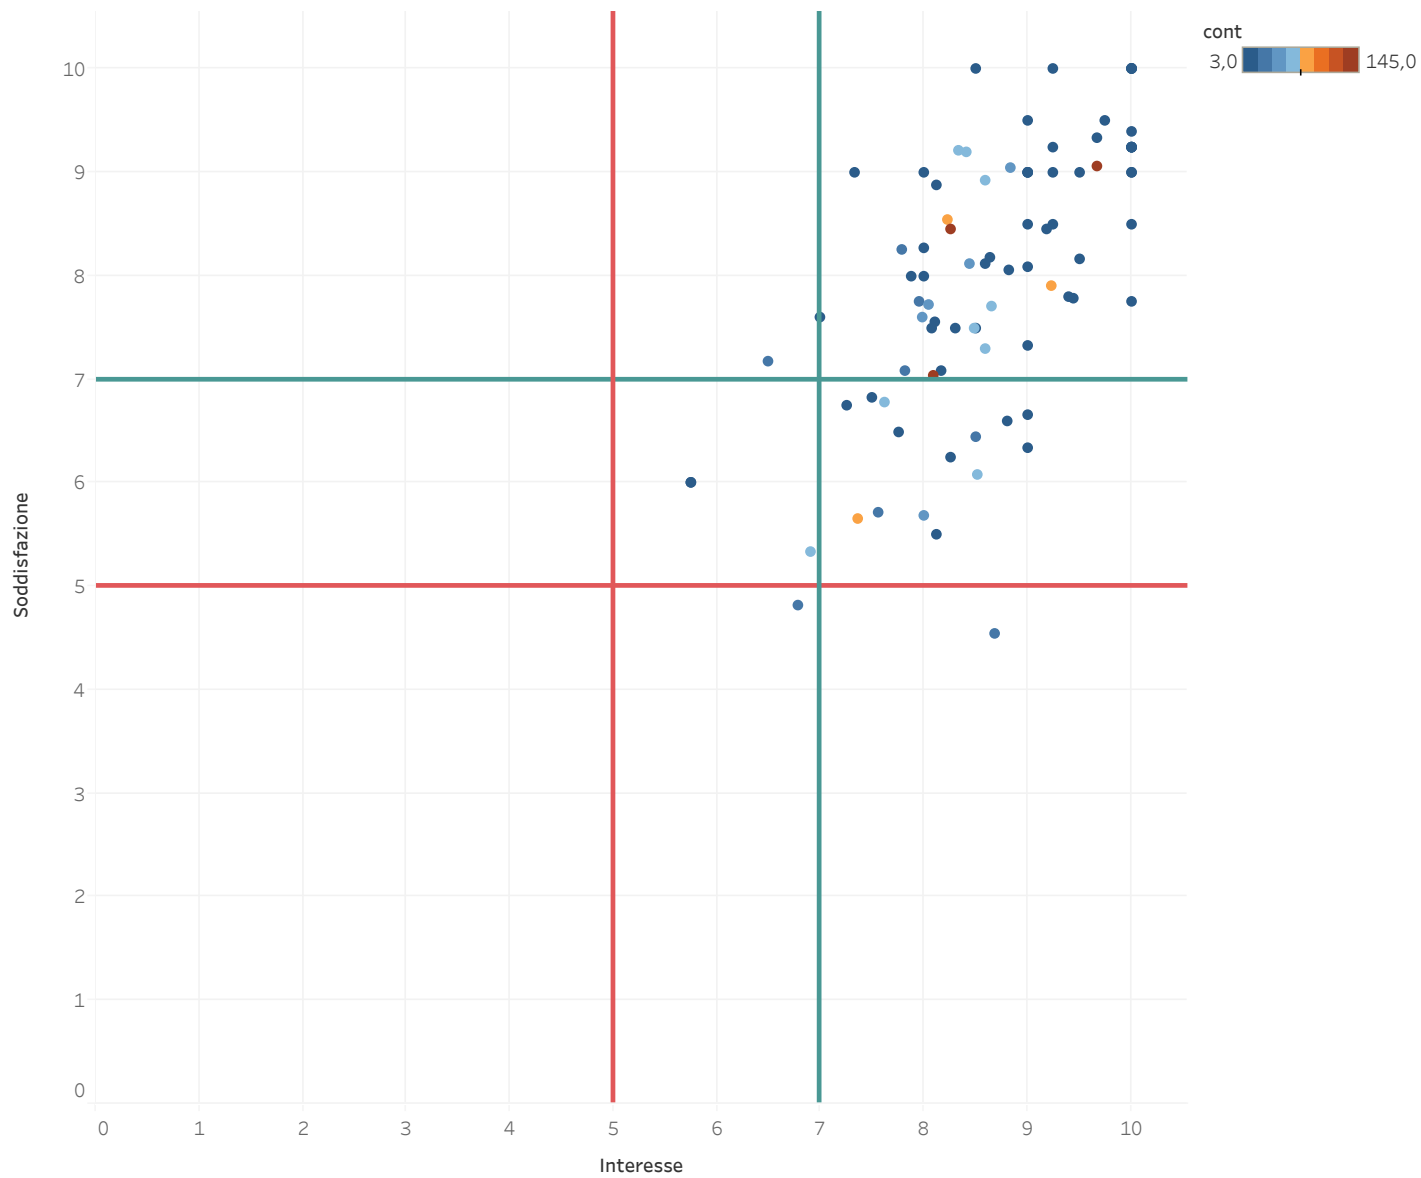

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdl, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps 10 of 10 members. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdl, average of D12 and sum of cont. The key\_cdl filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

## Grafici di dispersione - Clinico di Scienze Mediche, Chirurgiche e della Salute

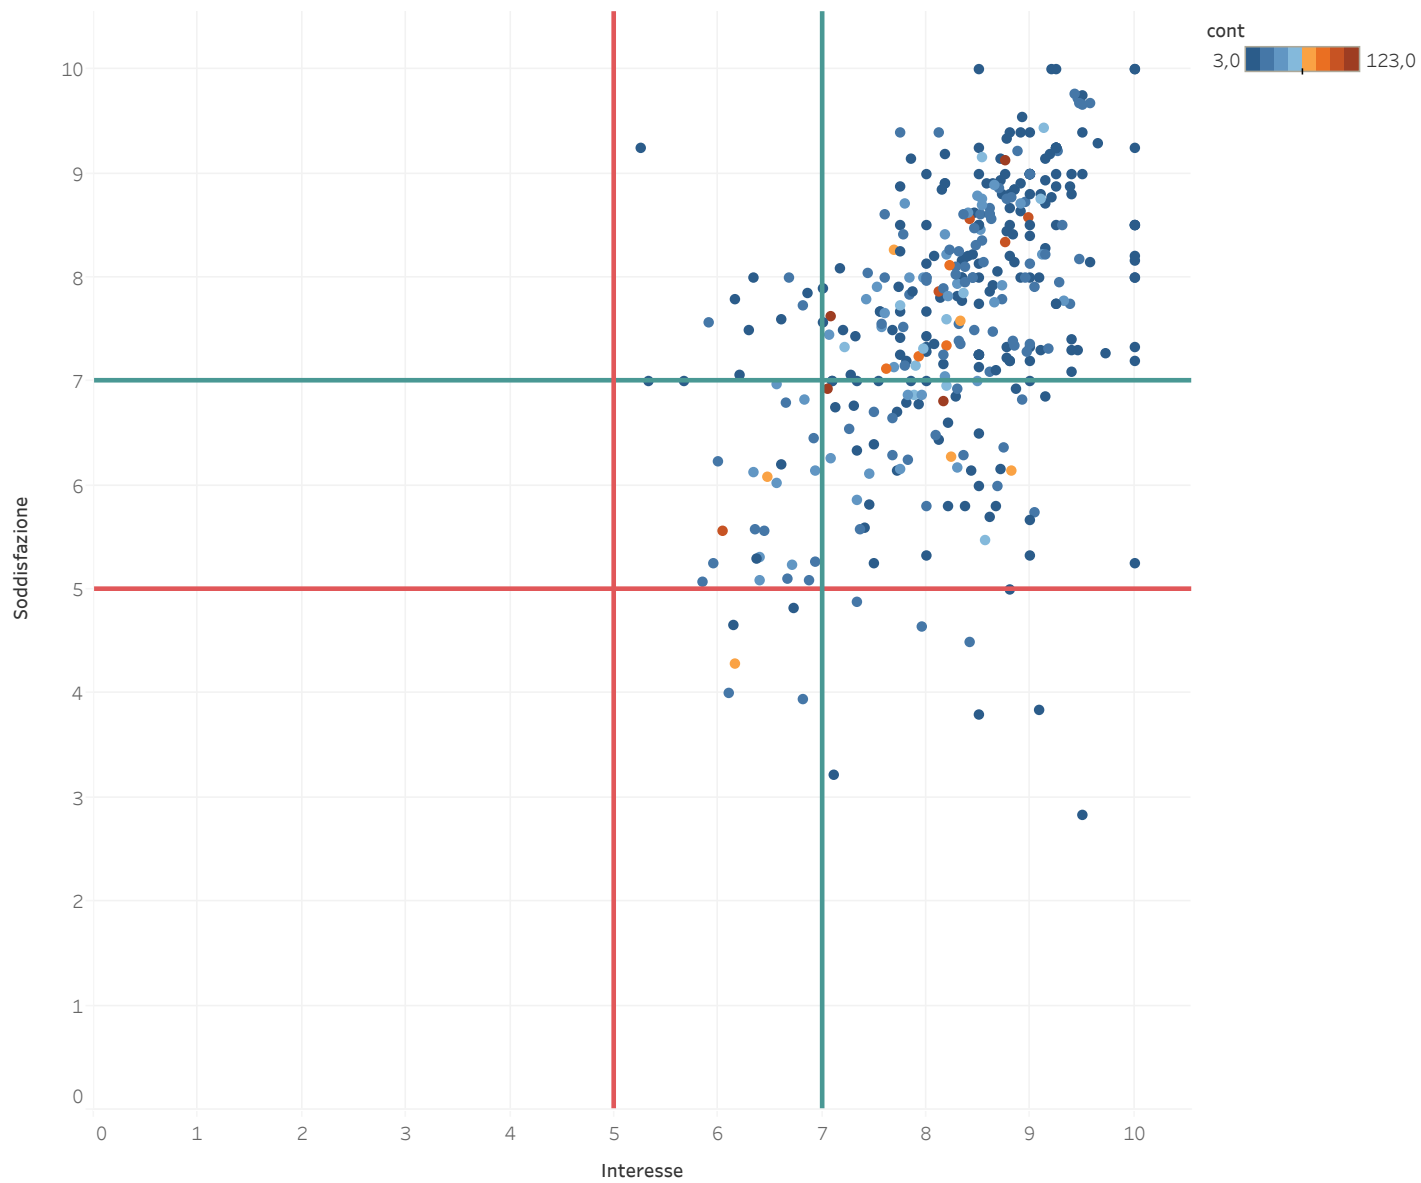

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdl, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Clinico di Scienze Mediche, Chirurgiche e della Salute. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdl, average of D12 and sum of cont. The key\_cdl filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

## Grafici di dispersione - Fisica

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdl, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Fisica. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdl, average of D12 and sum of cont. The key\_cdl filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

## Grafici di dispersione - Ingegneria e Architettura

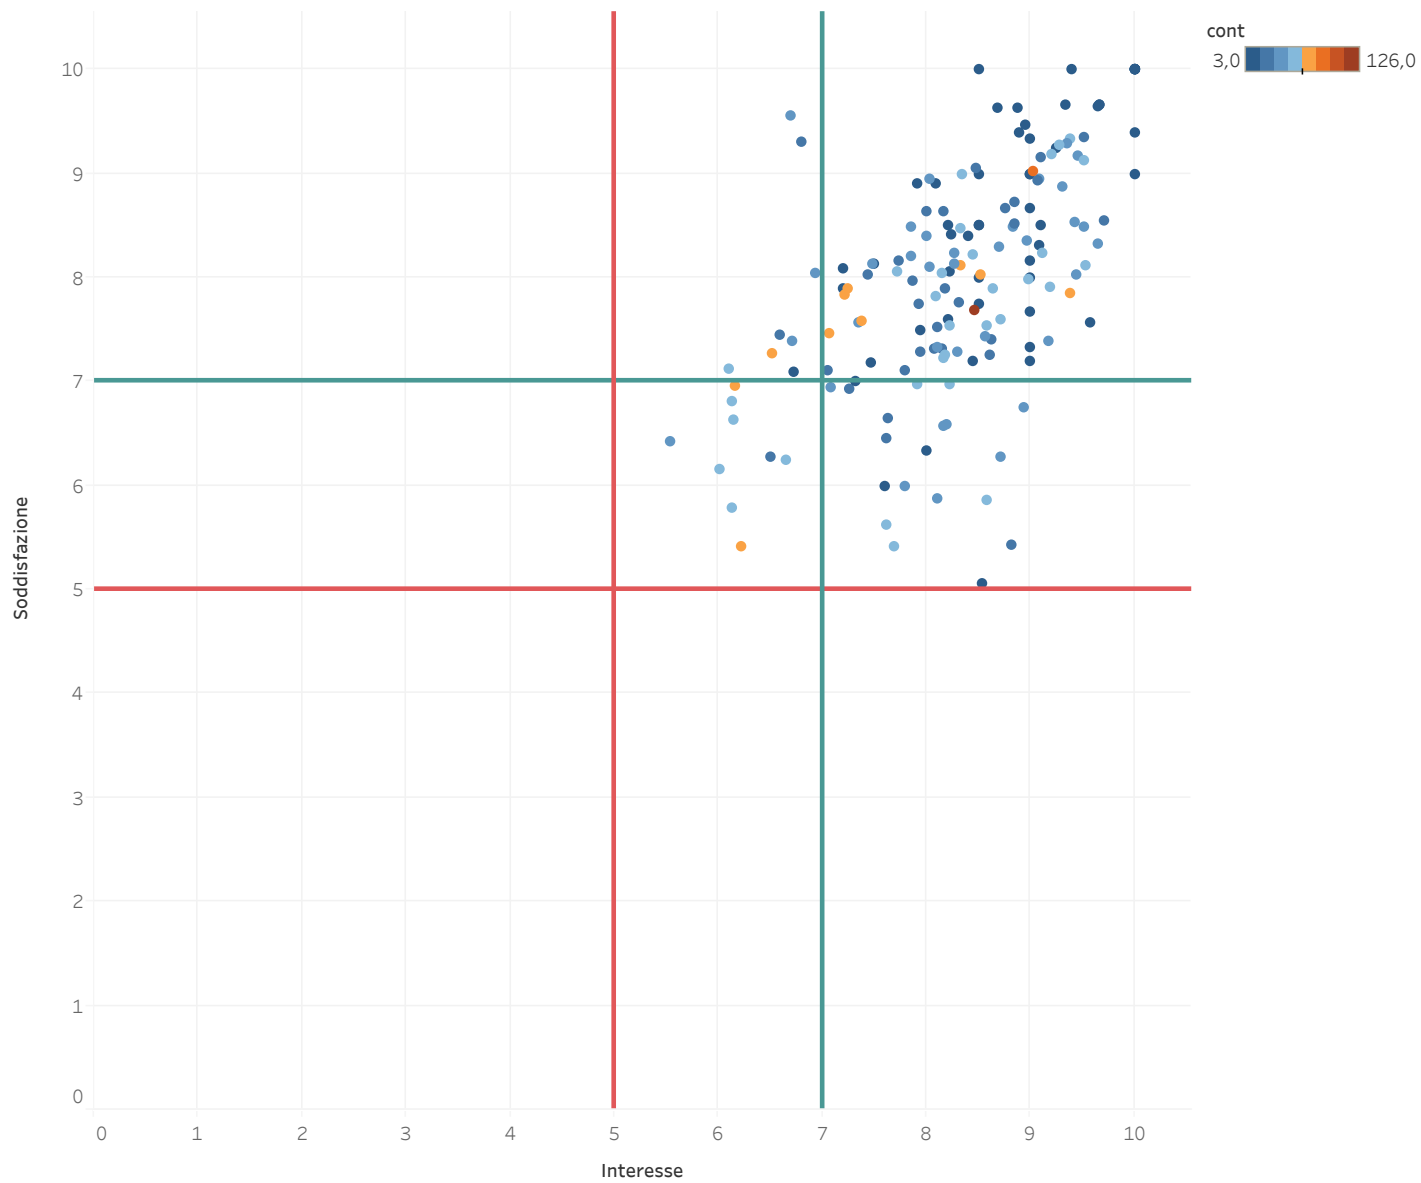

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdI, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Ingegneria e Architettura. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdI, average of D12 and sum of cont. The key\_cdI filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

## Grafici di dispersione - Matematica e Geoscienze

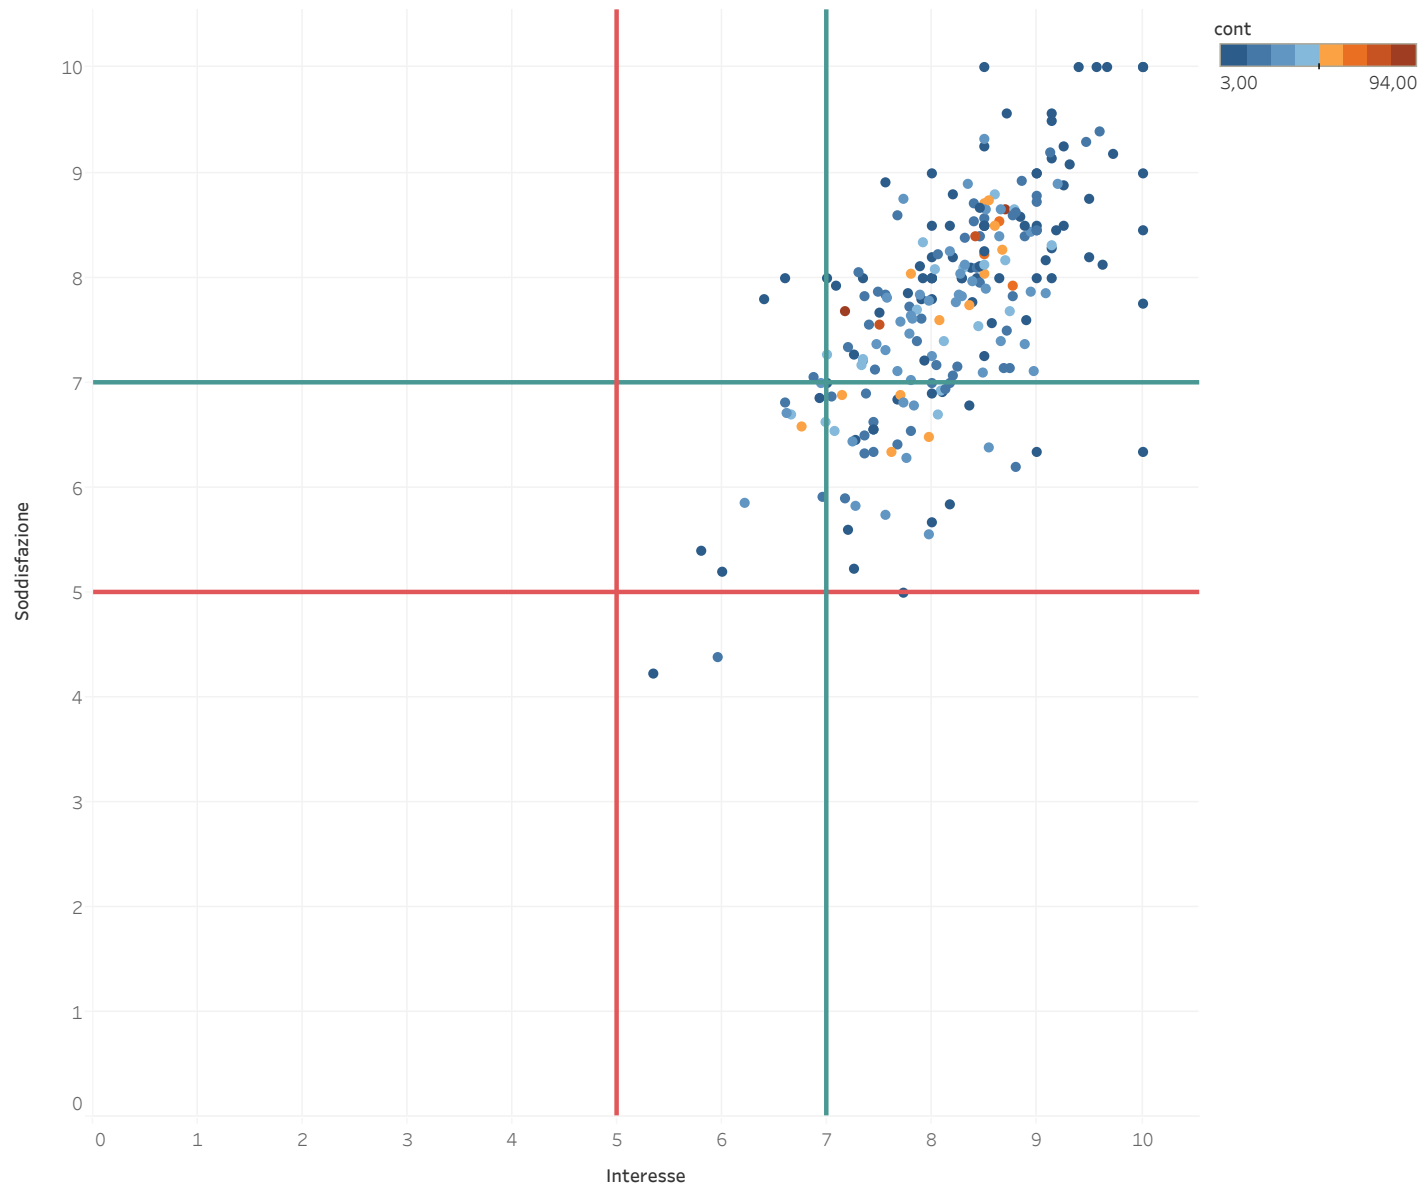

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdI, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Matematica e Geoscienze. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdI, average of D12 and sum of cont. The key\_cdI filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

## Grafici di dispersione - Scienze Chimiche e Farmaceutiche

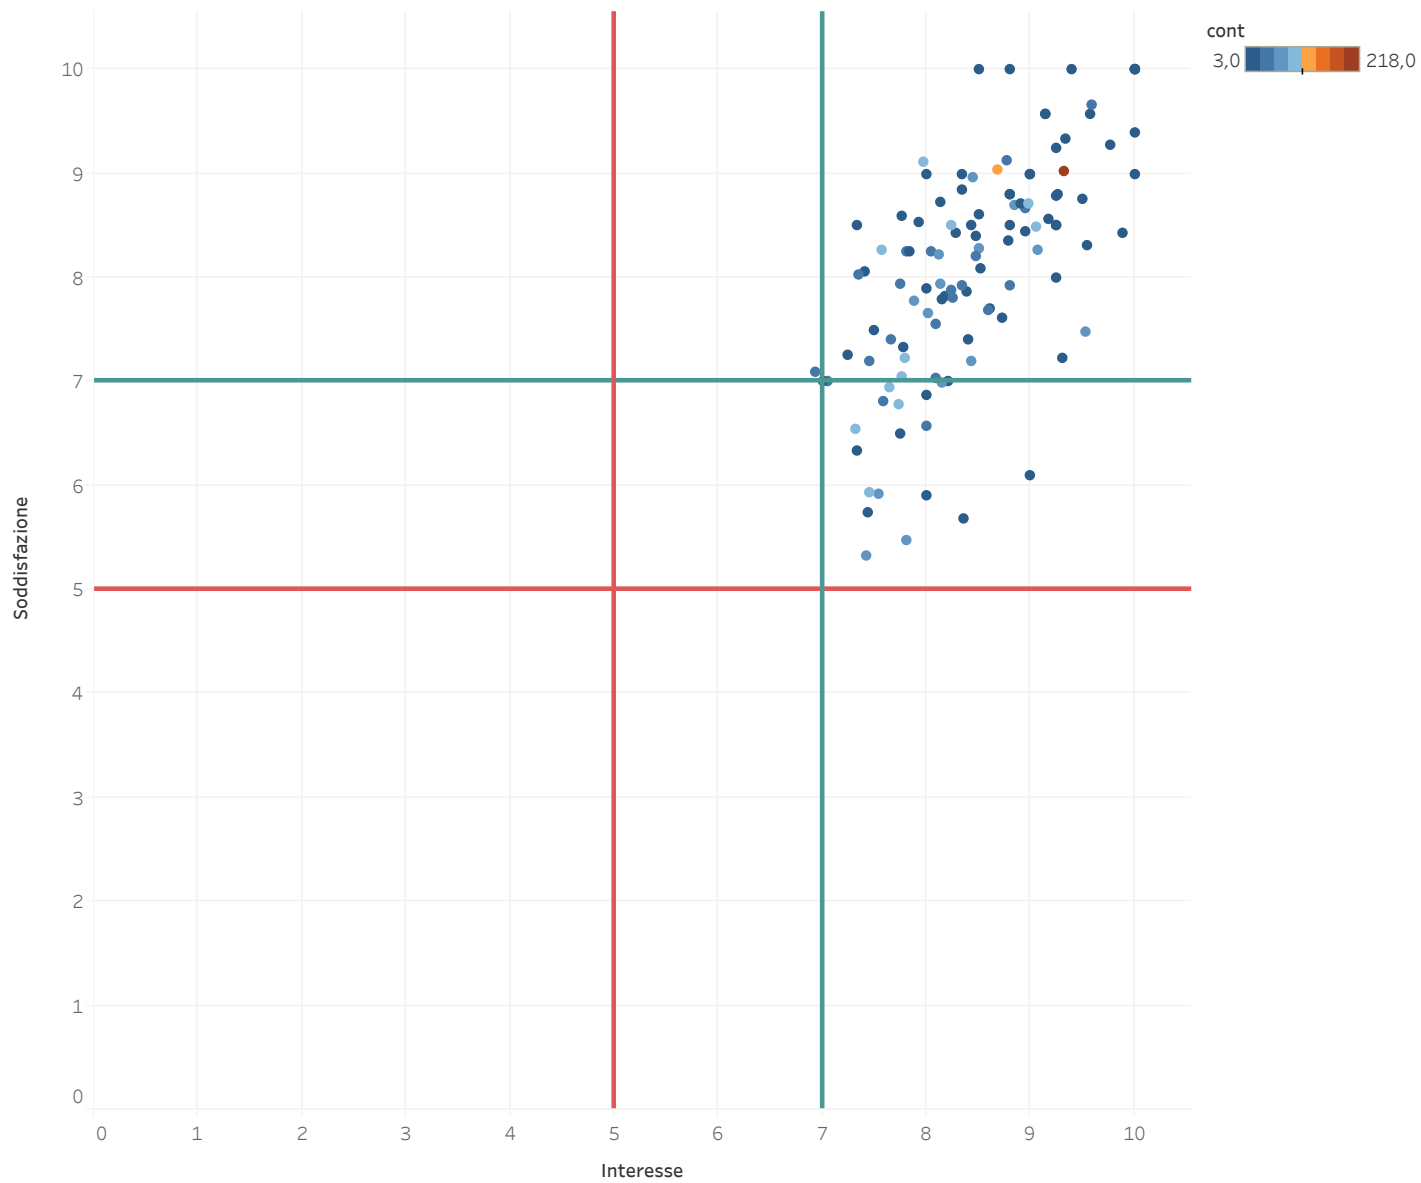

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdl, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Scienze Chimiche e Farmaceutiche. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdl, average of D12 and sum of cont. The key\_cdl filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

## Grafici di dispersione - Scienze Economiche, Aziendali, Matematiche e Statistiche

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdl, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Scienze Economiche, Aziendali, Matematiche e Statistiche. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdl, average of D12 and sum of cont. The key\_cdl filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

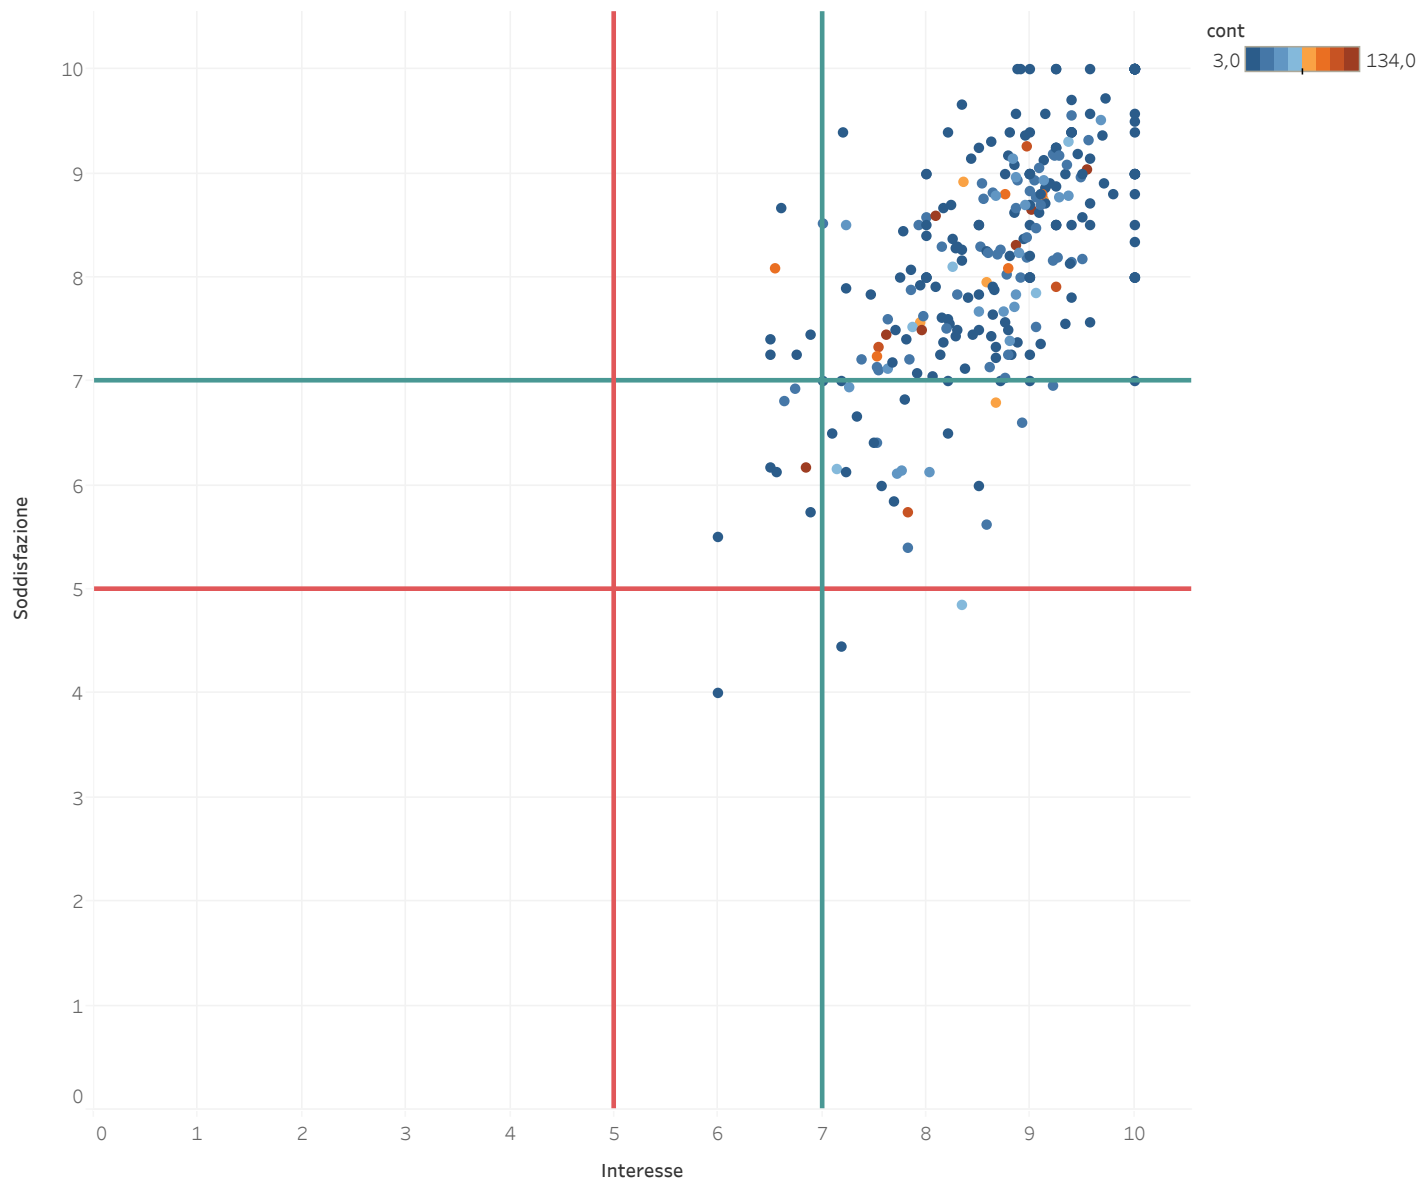

## Grafici di dispersione - Scienze Politiche e Sociali

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdI, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Scienze Politiche e Sociali. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdI, average of D12 and sum of cont. The key\_cdI filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

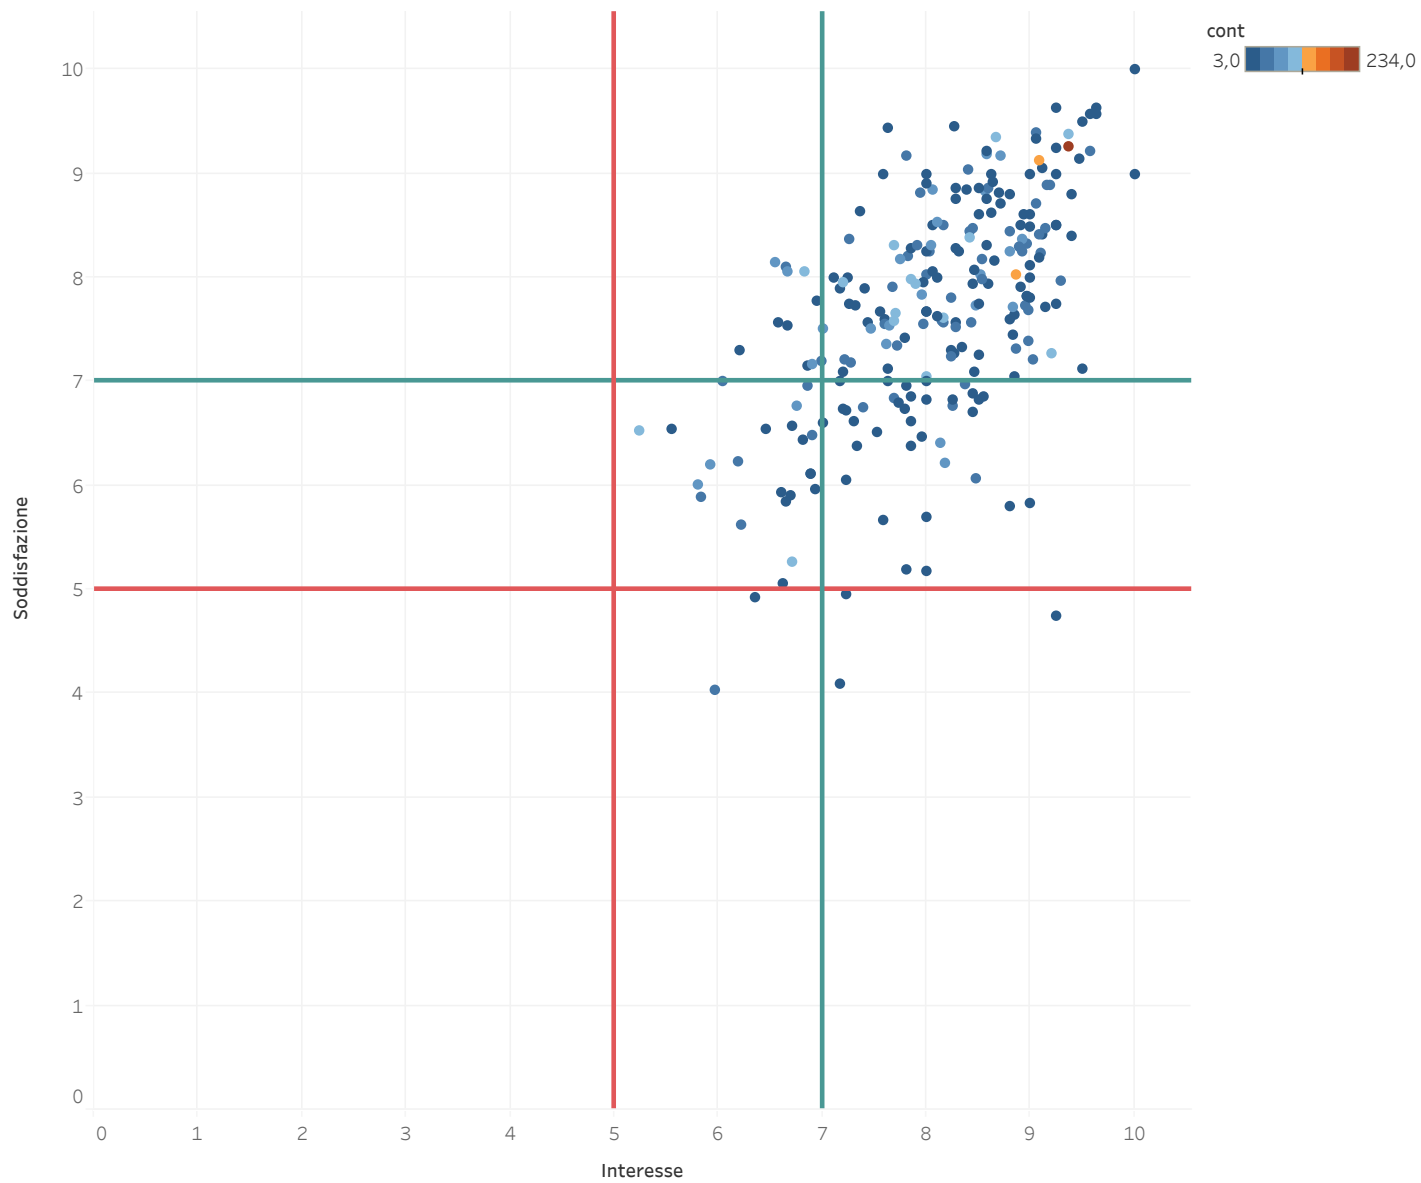

## Grafici di dispersione - Studi Umanistici

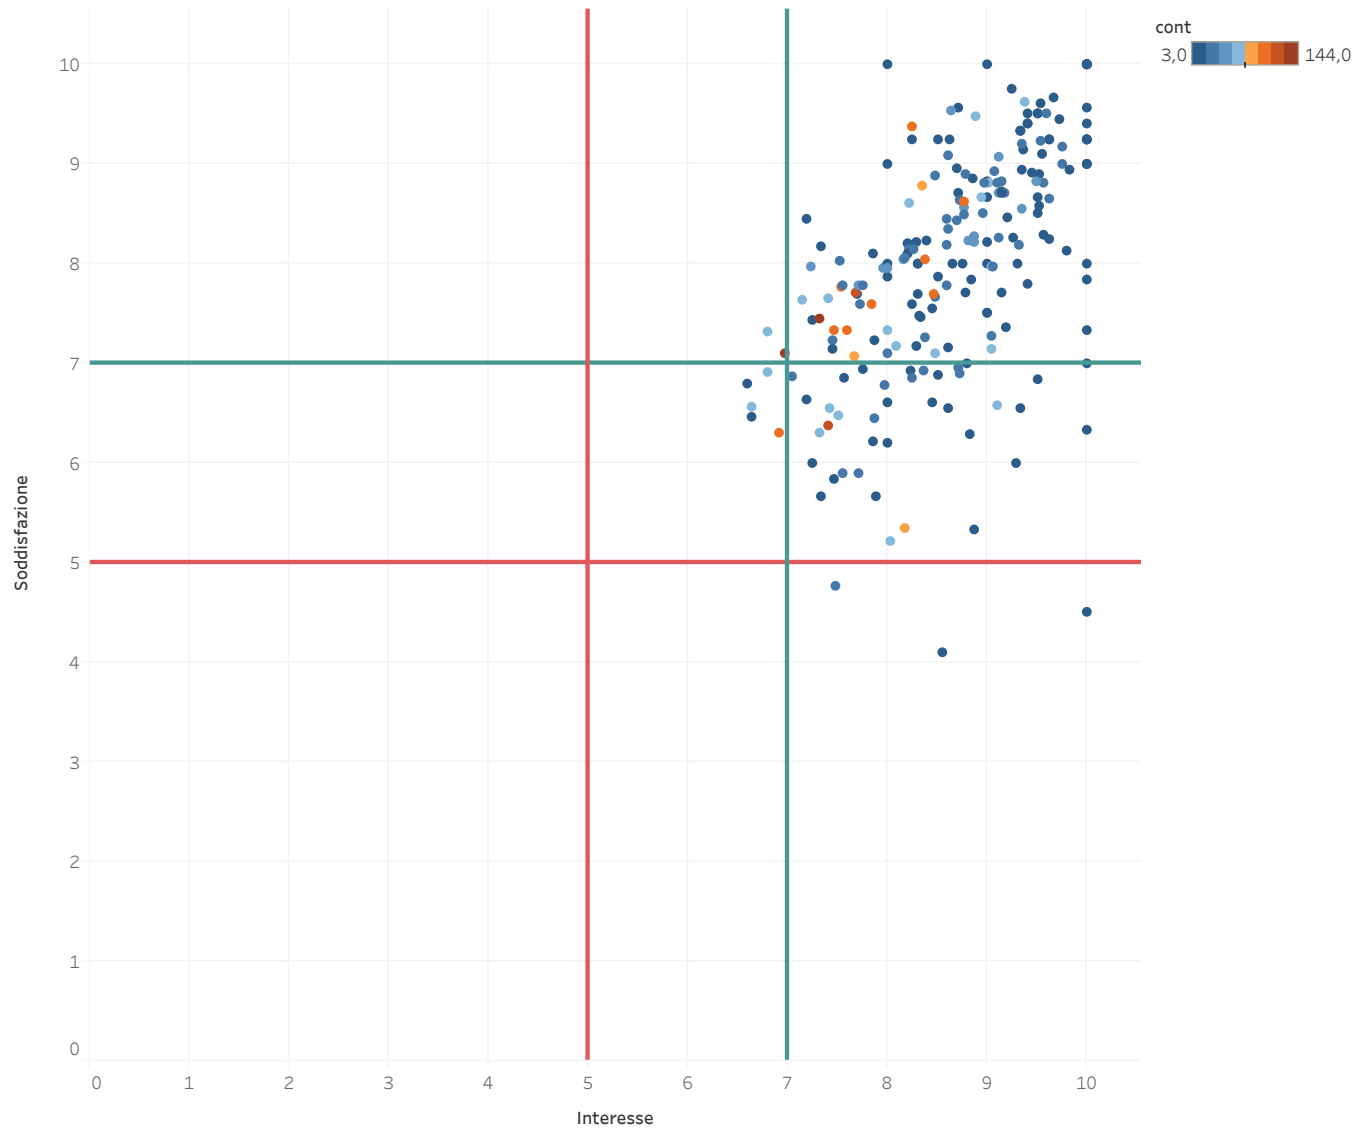

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdl, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Studi Umanistici. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdl, average of D12 and sum of cont. The key\_cdl filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

## Grafici di dispersione - Scienze della Vita

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdl, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Scienze della Vita. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdl, average of D12 and sum of cont. The key\_cdl filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.

## Grafici di dispersione - Scienze Giuridiche, del Linguaggio, dell'Interpretazione e della Traduzione

Average of D11 vs. average of D12. Color shows sum of cont. Details are shown for key\_cdl, UD\_doc and ID unità. The data is filtered on frequentante, Dipartimento and Tipo CdS. The frequentante filter keeps 1. The Dipartimento filter keeps Scienze Giuridiche, del Linguaggio, dell'Interpretazione e della Traduzione. The Tipo CdS filter keeps CU, LM and LT. The view is filtered on key\_cdl, average of D12 and sum of cont. The key\_cdl filter keeps multiple members. The average of D12 filter keeps non-Null values only. The sum of cont filter ranges from 3 to 234.
